Title	Food safety policy
--------------	---------------------------

The management of Meat World Holding Ltd is committed to consistently provide safe and high-quality fresh and processed meat products to its customers and consumers by ensuring food safety at all stages of production, for all our products. The management of Meat World Holding Ltd is committed to continually enhance the reputation of its brands by producing and maintaining consumer confidence in its products. We will continue to improve measure, evaluate and validate the system's effectiveness taking into consideration all statutory and regulatory requirements as well as mutually agreed customer requirements. Food safety is the responsibility of all employees that have both direct and indirect influence on the safety of our products.

The management of Meat World Holding Ltd recognizes that strong food safety programs requires adequate resources and competency to achieve food safety objectives and is committed to support the development, implementation, maintenance and ongoing improvement of food safety programs.

The management of Meat World Holding Ltd is strongly committed to communicate food safety policies to all employees and interested parties.

This policy will be reviewed on regular basis to ensure that it continues to reflect on new regulatory updates, customer requirements, and new technologies that support the mission of food safety.

As Owner and Managing Director, I am committed to the implementation of this Food Safety Policy.
